## CRANFORD HALL

Events at Cranford Hall are truly exclusive and you will not share your day with anyone but your family and friends. We tailor our facilities to create a wedding that is in truth about you; your relationship, your sense of humour, your friends, family and those you want to share your day with.

Because of the dedication we put into each and every wedding, we only host a small number of per year, making yours a unique and select event. We do not have a set wedding packages as we are incredibly flexible with the entire makeup of your day. Room decor, table layout, timings is all entirely up to you. We have our own caterers who can provide anything from BBQs and Hog Roast to 3 course fine dining its all your choice.

We can suggest a few things to get your creativeness flowing and from there we endeavour to meet your every wish no matter how unusual or inventive. We've had rounders matches, fire eaters, coconut shy's, garden games, bouncy castles, magicians, horse and carriages, ice cream vans and even storm troopers. plus we are dog friendly so you're welcome to bring your pooch.

We understand that you may want to come back to the venue several times before your wedding day. You may want to bring friends and family to get their ideas, meet with Emma the venue owner and discuss your plans in detail, ask questions, check measurements and remind yourself of the space. You might need to bring your suppliers to look around and understand where they are setting things up. We are with you all the way and all this we will happily do with pleasure and is included in the hire price.

### The facilities

The Studio itself is a self-contained function room with its own kitchens that can comfortably seat up to 109 guests for a formal sit-down dinner. The Brewhouse is an extension to the Studio building and is where we have our bar and snug. It can also be used as a quiet area for children to play, watch movies or for family to catch up away from the band or disco

### Ceremonies

Within the grounds of the Hall lies the ancient St Andrews church. Although no longer in commission, the diocese of Peterborough will allow a blessing for you after your actual marriage. We have also hosted many garden ceremonies which work fabulously incorporating the Hall and its terraces. The family offer the use of a private downstairs bedroom and bathroom within the Hall for you to hide away in before your guests arrive or as a fabulous way of entering the gardens for the most wonderful confetti shots.

### Drinks

You may make use of the paying bar from the minute your guests arrive or if you prefer we can offer your guests Prosecco, Pims, beer etc as a welcome drinks in the garden served with canapés as you take some time to get photos in before you eat.
