THE STUDIO

CRANFORD HALL

Firstly we hope that wherever you choose to hold your event it is one to remember, filled with love and laughter.

Events at Cranford Hall are truly exclusive and you will not share your day with anyone but your family and friends. We tailor our facilities to create an event that is in truth about you; your relationship, your sense of humour, your friends, family and those you want to share your day with. We have our own in-house caterers who can supply everything from BBQs, cream teas and fine dining. Rob Herron at herroncatering.co.uk rob@herroncatering.co.uk 07985 580394

Because of the dedication we put into each and every individual event, we only host a small number per year, making yours a unique and select occasion.

We have 3 different pricing levels depending on whether you want a full day of a partying, maybe a corporate summer BBQ followed by a disco with a lot of setup and décor, or just a lunch party or an evening party for a special birthday.

THE STUDIO CRANFORD HALL

The facilities

The Studio itself is a self-contained function room with its own kitchens that can comfortably seat up to 100 guests for a formal sit-down dinner or up to 200 for a more relaxed evening event.

The Brewhouse is an extension to the Studio building and is where we have our Studio bar and snug. It can also be used as a quiet area for children to play or for family to catch up way from the band or disco.

The gardens are yours to explore and you may hire garden games such as bouncy castles and croquet to keep the little ones entertained (and often the adults).

Due to the Hall's location in the centre of the village and with respect to nearby residents, we ask that music be finished at 11pm and that guests have vacated the grounds by 11.30pm. There is parking onsite for 100 cars and guests may leave their cars overnight.

The beautiful and unique Cranford Hall is undeniably the perfect venue for your event. As well as the stunning space and surroundings, our bespoke service is second to none. We pride ourselves on the personal touch we provide to ensure you receive the best on your special day.

I look forward to meeting you and discussing your plans very soon
