## CRANFORD HALL

Events at Cranford Hall are truly exclusive and you will not share your day with anyone but your family and friends. We tailor our facilities to create a wedding that is in truth about you; your relationship, your sense of humour, your friends, family and those you want to share your day with.

We do not have wedding packages but can recommend a wide range of suppliers to provide catering, help with room decor, table layout, garden games etc. Timing is entirely up to you. Because of the dedication we put into each and every individual wedding, we only host a small number of weddings per year, making yours a unique and select event.

We can suggest a few things to get your creativeness flowing and from there we endeavour to meet your every wish no matter how unusual or inventive. In fact we love to try new things it's just as much fun for us. We understand that you may want to come back to the venue several times before your wedding day to plan, bring your suppliers to look around and get the ok from your friends and family. All this we will do with pleasure.

### The facilities

The Studio itself is a self-contained function room with its own kitchens that can comfortably seat up to 100 guests for a formal sit-down dinner or up to 200 for a more relaxed evening event. For larger parties

we are happy to accommodate and organise a marquee on the lawn at an additional cost. The Brew-house is an extension to the Studio building and is where we have our Studio bar and snug. It can also be used as a quiet area for children to play or for family to catch up way from the band or disco.

## CRANFORD HALL

Within the grounds of the Hall lies the ancient St Andrews church. Although no longer in commission, the diocese of Peterborough will allow a blessing for you after your actual marriage.

We have also hosted many garden ceremonies which work fabulously incorporating the Hall and its terraces. The family offer the use of a private downstairs bedroom and bathroom within the Hall to get ready just before a ceremony or announcement onto the terrace.

We've had dogs, horses, fire eaters and even storm troopers, coconut shys, bouncy castles and rounders matches. In fact pretty much anything you want to hire in to keep guests and kids entertained whilst you explore the grounds and have your photos taken is fine with us.

You may make use of the paying bar all day from the minute your guests arrive or if you prefer you may provide your own welcome drinks and table wine. We will of course provide the welcome 'Barrel Bar', tin baths for beers, staff, glassware, recycling etc. We are very flexible with our drinks options and will find the right one to fit you.

Due to the Hall's location in the centre of the village and with respect to nearby residents, we ask that music be finished at 11pm and that guests have vacated the grounds by 11.30pm. Guests are very welcome to leave their cars overnight.

The beautiful and unique Cranford Hall is undeniably the perfect venue for your wedding. As well as the stunning space and surroundings, our bespoke service is second to none. We pride ourselves on the personal touch we provide to ensure you receive the best on your special day.
